Stan Riddle, director of Camp Manna, braved the crowd of Pearl ladies as the only "non-woman" at the luncheon!

# Pearls of EMPOWERMENT

Women Helping Others

Vol. 2 | Issue 4 | Nov. 2011

## \$26,700 Awarded in 2011!

### A Storehouse for Jesus - \$3,000 Women's Clinic

A Storehouse for Jesus will use the grant money to help pay for laboratory testing to diagnose female medical problems and to fund medications to treat those problems.

### Big Brothers Big Sisters of Davie County- \$5,000

#### Mentoring Matters

This program will focus on helping elementary and middle school students achieve educational success by providing tutors to reinforce reading and math skills. Along with help with reading and math these children will benefit from having an extra caring adult in their lives.

### Camp Manna - \$4,000

#### Scholarship Program

The funds will be used as scholarships for children of single mothers needing financial assistance in order for their child to attend summer camp.

### Davie County Pregnancy Care Center - \$3,000

#### JEWYL Program

Funds will be used to purchase items such as baby beds, high chairs, and diapers for the JEWYL Closet. Expectant mothers earn vouchers to "purchase" these items as they participate in parenting classes.

Nadia Moffett, Miss NC 2010 and founder of the Queen's Foundation, poses with Events chairwoman Janie Budd. Nadia gave an inspirational talk, describing the Pearls as "powerhouse women" who are making a difference in their community. Like Pearls, the Queen's Foundation serves to empower young women across the state.

### The Dragonfly House - \$3,000

#### Darkness to Light, Stewards of Children Training

This grant will go to train staff members in the "Darkness to Light Stewards of Children" program, which helps educate those who work with children on child abuse awareness. After facilitator training, these staff members will then conduct workshops in Davie County.

### Hardison United Methodist Church - \$4,700

#### Summer Food Bags of Hope

Summer Food Bags of Hope Feeding Program provides breakfast, lunch, dinner and snack food to hungry children in our community over the summer months. Food is distributed on Thursday during lunch at the three elementary schools that serve breakfast and lunch during most of the summer. Food is also provided to children in high school, middle school and the remaining three elementary schools where needed.

### Smart Start of Davie County - \$4,000

#### Parents as Teachers

Grant funding to Smart Start will continue to support the Parents as Teachers program. Monthly individual and group meetings allow the Parent Educator to work directly with parents helping them to significantly improve their relationship and parenting skills.
