Becoming a Pearl

When you choose to become a Pearl, you make a commitment to donate \$1/day or \$365/year to provide grants for programs that benefit women and children in the community. Membership may be an individual or a group of ladies.

Annual dues are payable from July 1st of a year to June 30th of the next year. Dollars are divided 3 ways: \$300 is contributed directly to grant making; \$35 is contributed to the Pearls of Empowerment Endowment Fund for future grant making and \$30 goes to operating expenses. You may split your payments to suit your budget and your dues are fully tax deductible.

As a member of Pearls you have the option of sharing your talent by serving on one of the committees. It is your choice as to how much time you commit to Pearls. Membership does not require you serve on a committee if your time does not permit.

The Strand of Pearls

Like your grandmother's strand of pearls passed down to you and then your daughter, Pearls of Empowerment consists of women from all generations and backgrounds. We are a giving circle, all connected, as we learn more about issues affecting the lives of women and children. Funding decisions are made by working together for our common goal. Becoming a Pearl makes us a part of something bigger than ourselves, unleashing the power of women's giving.

Pearls plan and host two educational events, two social events and an annual meeting each year. The highlight of the year comes at the annual meeting, as grants are awarded to local non-profits and agencies for programs to benefit women and children. Each member or group receives a vote to determine the grant recipients.

The Pearls of Empowerment is a component fund of the Davie Community Foundation. The Davie Community Foundation is a 501c (3) tax exempt, publicly supported organization serving Davie County. Contributions are fully deductible to the extent permitted by law.
