

The Three Musketeers Education Fund – 2015 School Mini Grants

All for One, One for All!

The Davie Community Foundation is pleased to announce 2016 school mini grants to be funded through The Three Musketeers Education Fund at the Foundation. The fund was created to support teachers by covering expenses (maximum \$300) that schools cannot reimburse. It is the hope of the fund committee that these grants will encourage **creativity** and **innovation** in the classroom; ultimately benefitting students.

Examples of expenses to be supported include class supplies, project materials, art supplies, field trip scholarships, items for instruction (other than technology), etc. Applicants are encouraged to be as creative as possible to get the most for the money! Grade levels at individual schools should work together to prevent duplicate applications.

Please complete the information below and return the form to the Davie Community Foundation, PO Box 546, 107 N. Salisbury St., Mocksville, NC 27028 **by January 21st**. Award decisions will be made by February 4th.
