

Town of Bermuda Run Community Vision Fund

The Bermuda Run Community Vision Fund Committee aims to oversee, plan, and implement the fund's charitable giving, fundraising, and the design and implementation of Town projects and events. The fund is managed by the Davie Community Foundation.

Many years ago, a few investors created a fund through the Davie Community Foundation - the Bermuda Run Community Vision Fund. Use of the fund was designed for special projects the Town and community deemed appropriate, furthering the goals outlined in the comprehensive plan. Today, with your support, the Bermuda Run Community Vision Fund will enhance and continue to support Bermuda Run as a *vibrant community of vision*.

Creating a Legacy of Community

The Flags at the Blue Heron Trail

*Honoring our nation, honoring our town,
and honoring you and your loved ones.*

Situated just at the Highway 158 round-about, the eastern gateway to Davie County in the Town of Bermuda Run, is the newly constructed Blue Heron Trail. The Flags at the Blue Heron Trail will honor our community with a stately three-flag overlook. The flag plaza constructed in a mosaic of engraved pavers is an opportunity for you to memorialize or honor a family member, a favorite veteran, grandchild, a place of business or club – even a beloved pet. You'll want to be a part of this legacy project. It is a place to stop, reflect and remember those special to you, as you make your way along the trail.

Building a vision and legacy for our town takes support. As a member of the community, you can help make this vision a reality by purchasing a paver. Each engraved 4 x 8 inch paver will display the honoree's name and message as you choose up to 3 lines of 20 characters each. Your \$100 (per paver) tax-deductible donation to the Flags at the Blue Heron Trail is payable to the Davie Community Foundation which manages the Bermuda Run Community Vision Fund.

Each paver purchased by mail, online, or in person must be accompanied by the paver form. Please make sure you proofread each line.

**Once the form is submitted
there are no changes or edits.**
